Our yearly meeting has adopted a "Pay as Led" model for our annual gatherings. The intention is to be inclusive and accessible for all to participate in this special time of fellowship. Friends are asked to prayerfully consider the amount they feel led to contribute toward the expenses of our GPYM sessions. In addition to the cost of meals our gathering expenses include travel and a gratitude gift for our resource person/guest speaker, young friend program facilitators and supplies, and child care providers.

Please enter your Pay-as-Led amount below (0 or a dollar amount) and press "Submit Registration Form". Payment made be completed using the "Donate" button or with a check. All payment/donation amounts are completely confidential. Any amount above the basic cost of \$10/meal will be acknowledged as a tax-deductible charitable gift to Great Plains Yearly Meeting.
